## November 2009 NEWS LETTER

November's meeting will be at the Watertown Conservation Club at 7 P.M. on November 11, 2009. All should make an extra effort to attend. There are a few vacancies that need to be filled. A large turn out would be great since we are electing a tournament committee, once elected they will elect the tournament director.

A board member at large is needed, and Tom Haynes, the banquet director, is in need of at least two more for the banquet committee. It takes a lot of leg work to kick off a banquet.

Also, a brat fry committee should be appointed.

It's that time again, the beginning of the new club year and dues are due. Do not send in your FLW membership on your own, the club will send them all in. The dues are \$80.00 plus \$35.00 (FLW). Pay in full or in installments, but secure your spot on the roster.

There are a few openings if anyone knows of someone who would be interested in joining.

Keep Tom B. in your thoughts and prayers this coming week as he is scheduled for major surgery the day of our monthly meeting. Also, Gerry and Dianne Hartwig for the recent loss of their son, Paul.

Don't put the boats away just yet, Tom and Gerry boated 21 bass at Lazy last Thursday.

Good Luck On The Water,

Dan
