C&R BASS ANGLERS JULY 2009 NEWS LETTER

The meeting will start at 7 PM on Wednesday, July 8th with tournament sign up for the two day at High Falls, Browns and Fox Lake. Please get your money in and attend the meeting. Lake Geneva was windy, and a few good waves gave a few anglers baths. Brad ended with a five fish limit and bag bass, with Mike coming in second with four fish and Aaron bringing in three.

Thanks to those entering the Fourth of July parade, and Aaron's offer to watch the stars from his home. We still in need for boaters for the youth club. A vote was taken to get rid of "Kasting Kids" and support the youth club but very few have stepped up to help out with this effort. The "Kids Kasting" will go on with the Rock River rescue people taking it over at Riverfest.

The youth are very good people, and if you get a chance take one out just for a day of fishing you will be well rewarded. The state is coming up, and I hope we get a good number of fishermen who show up.

Tight lines and enjoy the summer.

Tom
