

C & R Bass Anglers

Watertown, Wisconsin
Established 1985

SEPTEMBER, 2009 NEWSLETTER

The September meeting will be held on Wednesday September 9 starting at 7 P.M. The meeting will be held at the Watertown Conservation Club.

The drawing for the last tournament of the year will be held so if you intend to fish have your money at this meeting. The last tournament will be held on September 26 and will be on Pewaukee Lake.

It seems like it is time to start the season rather than end it with the last tournament. The four man classic was held on Pewaukee last year but the lake has gone through some changes again as this year there is an algae bloom which was a non factor last year.

We will need to discuss some ways of raising money for our youth club along with making sure our youth champions have enough money to make a run at the national championship.

I received 12 calls asking me why C&R did not sponsor the kids casting as in the past but I could only tell them that the club wasn't in a position to host the event any longer.

It also would be a good time to bring up ideas for raising money or a least having youth meetings throughout the winter. It was a real pleasure fishing with the youth but some of the youths still do not know how to tie knots or even use the basic colors when fishing different waters.

If you have an interest, we will need a newsletter writer starting in October.

Thanks,

Tom
