

C & R Bass Anglers

Watertown, Wisconsin
Established 1985

Hello Anglers,

The May meeting will be as usual at the Watertown conservation club, 7:00 p.m.

I appoligize to all the members for the late newsletter. I just realized at 9:00 p.m., I didn't do a newsletter for this month so it will be pretty short unless Steve has more to add.

The tournament at Mendota turned out pretty good considering the, windy, cold, rainy, sleety conditions. Numerous members had pretty good success, and results will be reviewed at the meeting.

The draw for the next tournament @ Rock Lake, May 22 will be addressed. If you can not make the meeting, make sure you get intouch with the tournament director, Aaron David, with your intentions and funds. Also we will be going over zone attendance and accomodations ect. 4-man intentions should also be addressed.

Our annual Brat Fry is coming up at the end of this month. This is our one big club fundraiser for the year and good member participation is absolutly necessary to insure a sucessful event. It always requires much more than just committee participation to pull this one off. The money raised through the Brat Fry benefits each of us and helps support all club activities including our banquet. More information and sign-up sheets will be given out at the meeting.

The youth's first tournament was May 3 @ Silver Lake in Oconomowoc. The anglers did well with 41 bass caught. Thank you to all the boaters that helped out!

Hope to see everyone at the meeting.

It's great to be back on the water catching bass!

Dan
