

C & R Bass Anglers

Watertown, Wisconsin
Established 1985

Hello Anglers,

This months meeting will be June 9, 2010 , 7P.M. @ the Watertown Conservation Club.

The Rock Lake tournament turned out very good for most of the anglers. A recap will be reviewed at the meeting.

Arrangements for zone tournament @ Pools 7 & 8, June 11-13, will be gone over. Also there will be draws for the next three club tournaments; Buffalo Lake, June 27, and the two day tournament, Mississippi River Pools 7&8, July 10&11.

This meeting will be the last chance to get in the 4-man tournament, which is September 17-19 @ Big Green Lake. I believe it is \$20.00 to get in and the balance will be figured out at the meeting.

A big thank you to all the guys and gals who donated their time and talents to handle the brat fry. This event is a much needed fund raiser for the club.

The youth are fishing their 3rd tournament June 7, @ Rock Lake. Thank you to all the boaters who are giving up their time and equipment, (sometimes called at a very short notice) . The young anglers have a great time getting out on the water! Without the boaters , of course, this wouldn't be possible.

The last thing I have is the 4th of July parade in Watertown. In the past the club has decorated three boats and paraded with the youth anglers. At the meeting a parade committee will be chosen.

Hope to see everyone @ the meeting,
Dan
